## Great Progress Being Made on a Major Project

RONALD McDONALD  
HOUSE CHARITIES

Last year the HBASE announced its plan to assist in the construction of a new Ronald McDonald® House near the Sanford Health campus.

Since then, this project has made great headway. The coordinating committee has held a variety of fundraising and promotional events (raffled off four Sleep Number Beds, setup a dunk tank at a Sioux Falls Canaries baseball game, focused a General Membership Meeting on this great charity, etc.).

As fundraising and promotions continue for the HBASE's major community involvement project, we would like to thank everyone who has donated materials, labor, money and their time.

This is a very large project and every donation, small and large alike, helps out greatly!

**THANK YOU!!!**

Ronald McDonald House near Sanford Health campus being constructed in October 2008.

Ronald McDonald House official groundbreaking ceremony in June 2008.

Donation & Bid Proposal forms available online...
