

# Sioux Empire Friends of Affordable Housing

**SEFAH is the Political Action Committee for the Home Builders Association of the Sioux Empire.**

It's HBASE members like you that unite to support the best qualified, pro-housing candidates to office. Supporting SEFAH gives the building industry political clout in the election process.

**Q.** How much of each dollar is used for political action?

**A.** 100% - that's right, every penny goes straight to work electing the possible candidate to office. That makes SEFAH an effective, vital resource to the building industry.

**Q.** Does the SEFAH favor Democrats or Republicans?

**A.** The SEFAH is completely independent and bipartisan. Candidates are judged strictly on their merits.
